Delivery and Loading Dock Directions

Direction from The City to Wheat Road:

If coming off the harbour bridge, take the York Street exit and follow this until you reach Market Street. Turn right onto Market street (one way) and at the bottom (approx 100m) turn left onto Sussex Street. Follow this all the way down to the intersection of Liverpool Street (you will cross over the intersections of Druiitt and Bathurst streets first). Turn right onto Liverpool street and the almost instantly (approx 50m) you will need to turn right onto Harbour Street. Don't get disheartened as this will advise you that you are going back onto the Harbour Bridge. As soon as you turn left, ensure that you move into the left hand lane. After the second set of traffic lights you will need to take the exit to Wheat road (approximately 80m after the lights).

Direction from The Eastern Suburbs to Wheat Road:

If coming from the Eastern suburbs take Oxford Street into the city and this will then lead into Liverpool street. Follow this right to the end where you will be at the intersection of Harbour Street where you will need to turn right. Don't get disheartened as this will advise you that you are going back onto the Harbour Bridge. As soon as you turn left, ensure that you move into the left hand lane. After the second set of traffic lights you will need to take the exit to Wheat road (approximately 80m after the lights).

Dockside Specific: Loading Dock 4, The Balcony Level, Cockle Bay Wharf, Darling Park

After taking the Wheat road exit, follow the strip road up approximately 80 meters. On your left you will drive past loading docks 1 & 2 and drive under a royal blue awning. On your left after this is loading docks 3 & 4 which is the loading docks for Dockside. This space fits four cars in width. Once in the dock, at the rear in the right hand corner there is a goods lift. Once in the lift, proceed to level 1. Once the doors open at level 1, you are actually inside our venue at the Cockle Bay end. Please find a staff member that will assist you and direct you through to the correct rooms assigned for your event.

Please note: Darling Park Security and Darling Harbour Rangers are strict in the time patrons are parked in the loading bays for both Dockside and L'Aqua. They permit cars/vans/trucks to be 'seen' as loading/unloading for 20minutes ONLY. Should your car be unattended and exceed this 20 minutes, you may run the risk of being fined by either security or the rangers. Dockside, Star room and L'Aqua hold no responsibility should you incur a fine while visiting our venues.
