

Delivery and Loading Dock Directions

Direction from The City to Wheat Road:

If coming off the harbour bridge, take the York Street exit and follow this until you reach Market Street. Turn right onto Market street (one way) and at the bottom (approx 100m) turn left onto Sussex Street. Follow this all the way down to the intersection of Liverpool Street (you will cross over the intersections of Druitt and Bathurst streets first). Turn right onto Liverpool street and the almost instantly (approx 50m) you will need to turn right onto Harbour Street. Don't get disheartened as this will advise you that you are going back onto the Harbour Bridge. As soon as you turn left, ensure that you move into the left hand lane. After the second set of traffic lights you will need to take the exit to Wheat road (approximately 80m after the lights).

Direction from The Eastern Suburbs to Wheat Road:

If coming from the Eastern suburbs, take Oxford Street into the city and this will then lead into Liverpool street. Follow this right to the end where you will be at the intersection of Harbour Street where you will need to turn right. Don't get disheartened as this will advise you that you are going back onto the Harbour Bridge. As soon as you turn left, ensure that you move into the left hand lane. After the second set of traffic lights you will need to take the exit to Wheat road (approximately 80m after the lights).
