

Docksider Pavilion First Birthday Celebration Wows Guests

Media release: Friday September 11, 2015.

Docksider Pavilion's first birthday celebration was an outstanding success! Sydney's largest floating event venue, Docksider Pavilion in Darling Harbour celebrated their first year of business with a grand celebratory affair on the evening of September 10th 2015. The impressive space that specialises in hosting elite events knew just how to commemorate the occasion.

Recognising the leading events achieved within the first year of business and the influx of foot traffic in Darling Harbour, Docksider Pavilion had a lot to celebrate. Docksider Group's newest venue has hosted hundreds of events and welcomed 210, 000 guests.

Guests were dazzled from all five senses while they dined on a delectable three course meal hand crafted by Docksider Pavilion's Executive Head Chef, Heiner Volkens, paired with the finest wines. Docksider Group welcomed an exclusive guest list to the occasion to assist in the celebrations and to say thank you for their support during the first year. Guests dined in candle light underneath the branches of spectacular cherry blossom trees enjoying the outstanding ethereal performances by Opera Australia.

Docksider Groups newest venue has seen an array of elite events including The Westpac Federal Budget Announcement Dinner 2015, BICSI, Good Design, the Sydney launch of Mercedes Benz's next-generation C-Class Series, the Project Futures Stella Fella Charity Black Tie Ball, The Australian Beauty Awards, the NRL Grand Final Luncheon, The Australian Hotels Association Awards, Business Chicks Lorna Jane, Rachel Zoe and Seth Godin, Walkeys Foundation 2014 Awards, Broadcast and Television Awards, NSW Tourism and Business Chamber Awards, Variety Cycle Dinner and the Variety Woolworths Fundraising Ball.

With the International Convention Centre under renovations, Docksider Group Managing Director, Christopher Drivas, says "In Docksider Pavilion's first year it has provided an ideal opportunity to give back to the precinct and offer a premium product which encourages Sydney siders to travel into Darling Harbour and enjoy all the precinct has to offer."

Docksider Pavilion is owned and operated by Docksider Group and will remain in Darling Harbour until the completion of the new International Convention Centre. For more information about Docksider Group visit www.docksidergroup.com.au
