

**An Intimate Dinner with Karen Tran Hosted by Wedded Wonderland at
Docksider Group's L'Aqua Gold Room**

Media release: February 6, 2015.

On Monday 26th January 2015, Docksider Group were honoured to welcome Wedded Wonderland hosting an intimate dinner with Karen Tran at Docksider Group's L'Aqua Gold Room.

L'Aqua Gold Room is a spectacular space elegantly nestled above Cockle Bay Wharf, offering guests uninterrupted views of Sydney Harbour and the show stopping fireworks display, celebrating Australia Day.

International floral master Karen Tran and her team, along with Australian suppliers Flower Culture by John Emmanuel, Events by Nadia and Chandeliers To Die For, transformed this space unlike anything Australia has seen before.

Guests entered a room adorned with the luxurious rich tones of cranberry, fuchsia, lilac and gold. The custom-made floral table centrepieces measured 1.8 metres and featured Phalaenopsis Orchids, Ecuadorian Roses and Tulips. Crystal candelabras perfectly filled the gaps between the floral arrangements and nine suspended chandeliers added the perfect amount of sparkle.

Guests wined and dined on delicious Robert Oatley reds, whites and sparkling and enjoyed a menu that featured salmon, beef and duck. After the dinner, guests stepped outside to view the spectacular Australia Day fireworks.
