

Sydney's Largest Floating Venue Hosts Major NYE Event

Media release: December 4, 2014.

Sydney's largest anchored floating venue, Docksider Pavilion in Darling Harbour prepares for the biggest celebration of the year. Docksider Group's newest venue is eager to host a spectacular Masquerade New Year's Eve event, set to impress.

With a capacity of up to 1440 guests seated and 2000 standing, Sydney's newest venue is offering a gourmet four course meal, an unlimited beverage package and a front row dining position, showcasing the Darling Harbour fireworks and festivities at 9.00pm and midnight. The Masquerade theme provides an element of excitement for all guests attending.

Docksider Group Managing Director, Christopher Drivas, said "Docksider Pavilion will not disappoint on New Year's Eve. As a ticketed event, it's an ideal opportunity to give back to the precinct and offer a premium product with a front row view of the Darling Harbour fireworks."

"We want people to be wowed by the magnitude of this venue and understand that it's a spectacular blank canvas located in the center of the city, which can be used for virtually any type of event" said Mr Drivas.

The Docksider Pavilion owned and operated by Docksider Group and will remain in Darling Harbour until the completion of the new International Convention Centre. For more information about Docksider Group visit www.docksidergroup.com.au
